

WELCOME TO HOSPITALITY

For 20 years, our seasoned team has created and developed hotel brands that have defined today's hospitality industry.

We're independent by nature. We're entrepreneurs at heart. And beneath it all, we are passionately committed to delivering an unsurpassed guest experience. Every day. At every property.

To our partners we bring flexibility, sophistication and the same hospitality we give our guests.

In the midst of exciting growth, LodgeWorksSM is pleased to introduce Hotel SierraSM and AVIASM, along with a portfolio of other great brands.

Hotel Sierra is a refresh of Sierra Suites, our upscale suite brand. Here, you'll experience contemporary design and the comfortable luxury that makes our guest experience second-to-none.

AVIA is our collection of boutique hotels that are inspired by their surroundings. Soak in the culture. Chase the thrill of discovery. And relax in a hotel that is as engaging as it is sophisticated.

In addition, we continue to expand our owned and managed assets, demonstrating our range and relationships.

*Hotel Sierra meets the every need of today's traveler. Comfortable luxury.
Modern spaces and amenities. And an unrivaled guest experience.
Hotel Sierra brings a fresh perspective to the suite lifestyle category.*

AVIA.

Each AVIA hotel is distinct to its location. Authentic moments of discovery. Imaginative design and the highest level of service. The AVIA boutique collection is uniquely set to deliver on hospitality's most inventive genre.

OTHER GREAT BRANDS

Selective and strategic. It's how we measure each site and every opportunity.

We bring the same passion and expertise to other great brands. We develop and manage Hyatt Summerfield Suites, Hyatt Place, Hawthorn Suites, Hilton Garden Inn, Hampton Inn and Suites and aloft.

At LodgeWorksSM and throughout our brands, hospitality is the foundation upon which everything is built.
